FOUR DEES ROSEMARY - Another good daughter of Four Dees Good News. This heifer has a lot of scale and will make a wonderful brood cow. Her dam, Rosemary 58 A, has produced two good bulls that are now heading two good purebred herds. One of the Harvey Wendeln herd at Burr, Nebraska, the other is heading the Jack Chaney and Paul Brummett herds at Humboldt, Illinois. This will be one of the better heifers we will sell. We expect to have her bred to F A Royal Cadet, the wonderful young bull we own in partnership with Harold Bacon of Good Hope, Illinois. Pre-tested and vaccinated. Picture taken at 11 months of age.

FOUR DEES AUGUSTA C 2d - This is a Junior Yearling from our show herd. She was Reserve Grand Champion at the Logan County Fair, and was 3d prize junior yearling at the Illinois State Fair. We did not plan to sell this heifer but they are asking for more cattle so we have decided to put her in. I think she is one of the best females we have ever sold. She has a wonderful pedigree, being sired by Home Again Governor, one of the top bulls of the breed. Her dam is a Collinsby Augusta, which is the best family of females in the Collins herd. We hope to have her bred to F A Royal Cadet, a bull that is going to write Polled Shorthorn history as he is one of the top young bulls in the country. Pre-tested and vaccinated.

**D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.**

**E - All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.**

**F - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.**
